**WHEN IS OUR NEXT COMPETITION?  
(THE ANSWER IS ON THE LAST PAGE!)**

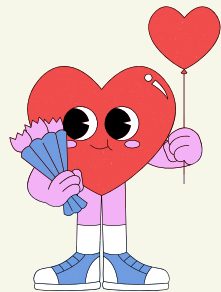

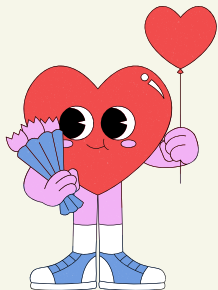

**TECH PROGRESS!**  
Mechanical have completely finished with their part of the robot, and now it is time for the Electrical to do their job.

**BUSINESS PROGRESS!**

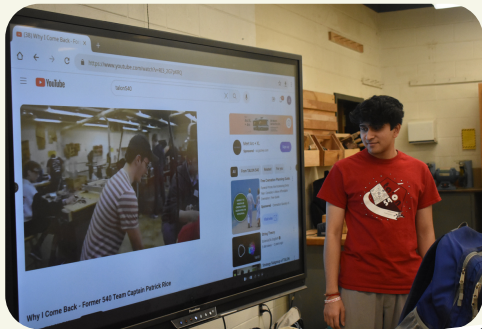

This week PR and Outreach have been working on finishing the Impact video as well as the Impact essay.

# BUILD WEEK 6 DUMP

Build season this week has going pretty well as to all the teams almost being finished with the robot. Outreach and PR have been working on completing the impact video as well as the impact essay before the due dates.

**“I have been working on the robot for ...”**

“More than 100 hours this year”      “14 or 15 hours a week”

“274 hours this year”      “120 hours a month working on the bot”

“been working for 60 hours”

**Talon Trivia Answer**  
March 1, 2, and 3
